OF SEVERAL INDIAN TRIBES

LETTER JAN 21 1834

LETTER

FROM

THE SECRETARY OF WAR,

WITH

*A Statement showing the Annuities granted to the several Indian tribes,
and Treaty Stipulations, payable in 1833, &c.*

JANUARY 21, 1833.

Laid on the table by Mr. BENTON, and ordered to be printed.

DEPARTMENT OF WAR, *December 20, 1832.*

SIR: I have the honor to transmit to the Committee of Ways and Means a statement of Indian annuities and treaty stipulations payable in 1833, together with estimates for removing and subsisting Indians, agreeably to treaty obligations.

I also enclose a bill, prepared in conformity to the statement and estimates, and beg leave respectfully to request that appropriations may be made accordingly.

I have the honor to be,

Very respectfully, your obedient servant,

LEWIS CASS.

Hon. G. C. VERPLANCK,

Chm. Com. of Ways and Means, House of Representatives.

DEPARTMENT OF WAR, *December 21, 1832.*

SIR: The enclosed report of the officer in charge of the Indian Bureau I have the honor respectfully to transmit, as an answer to your letter of Monday, making inquiry whether any, and what, Indian annuities are suspended or forfeited on account of the war of the last summer.

I have the honor to be,

Very respectfully, your obedient servant,

LEWIS CASS.

Hon. G. C. VERPLANCK,

Chm. Com. of Ways and Means, House of Representatives.

DEPARTMENT OF WAR,

Office Indian Affairs, Dec. 21, 1832.

SIR: In reply to the second question contained in Mr. Verplanck's note of yesterday, I have the honor to state, that the annuities due to the Sacs and Foxes, to the Sacs, Foxes, and Ioways, to the Sacs, and to the Foxes, were retained in the Treasury, by your direction, at the time the annuities for the other tribes were remitted. Gen. Clark, at St. Louis, and Gov. Porter, at Detroit, were also instructed to take all possible measures to ascertain what other tribes had been engaged in hostilities, and not to pay any portion of the annuities sent to them to any tribe of which the principal part, or the legitimate authority, had been so engaged. What amount, if any, has been withheld by these superintendents, under these instructions, the Department has not been informed.

No part of the annuities for the tribes above named has been remitted. But on the 19th of July, Gen. Clark addressed to the Department a letter, of which the following extract is submitted:

"I fully concur in the views and objects of the Department in withholding, for the present, the annuities from the tribes named, with the exception of those due the Sacs of Missouri river, and of the Ioways, and of such part of those due the Sacs and Foxes of Mississippi as come within the provisions of the 4th article of the treaty of 4th August, 1824, for pay and support of blacksmiths and assistance in agriculture. The first of which has been advanced by me, and the situation of the friendly Sacs, Foxes, and Ioways may, in the course of the fall, be such as will imperiously require some assistance in early preparations for agriculture. No instance has as yet been reported to me of the Sacs of Missouri or Ioways having joined the hostile Indians, nor is it believed that a single individual of either of these tribes has joined. Under all circumstances, I would respectfully suggest that those disbursements be left optional with the superintendent."

The discretionary power herein requested by Gen. Clark was vested in him by a letter of August 4th, signed by the acting Secretary of War, but the Department has not yet been advised whether any payments have been made to the bands mentioned by Gen. Clark.

I have the honor to be,

Very respectfully, your obedient servant,

ELBERT HERRING.

Hon. LEWIS CASS, *Sec'y of War.*
